• To Whom it May Concern;

On behalf of the Governor Wentworth Regional School District, I would like to take this opportunity to thank your company for helping us out with the well situation at Tuftonboro Central School back in May.

Your quick response and expertise was very much appreciated and made it that much easier to control any anxiety. It is comforting to have a local company willing to help out when the need arises.

Thank you again for your assistance.

Sincerely,

Mary E. Patry
